

INTRODUCTORY LETTER TO PARENTS

Dear Parent

On behalf of Ripley Cricket Club we would like to welcome your child to the club and provide you with some information about our activities. The Academy section of the club provides opportunities for young people between the ages of 8 and 17. Academy members will receive coaching and most age groups participate in competitions and Leagues organised by the West Surrey Colts League. All coaching, where ever possible, is by qualified coaches who are trained and have been screened for their suitability for working with young people.

The club has gained Sport England's Clubmark, which is awarded to clubs by the ECB when the club is able to demonstrate that it meets the ECB's criteria as to its playing programme, child protection, sports equity, ethics and club management. Clubmark is an acknowledgement that we take these issues seriously and are striving to provide a high quality and welcoming environment for young participants in the sport.

We welcome parents to all training and competitions and value your support. We rely on parents and players getting involved in all aspects of running the club.

Training times and dates vary according to age – if you are have any questions about these please contact the appropriate coach. Arrangements should be made for your child to travel to and from training sessions and matches. We appreciate if children arrive promptly and are collected promptly at the end of the session. If you are going to be late picking your child up, please contact the coach.

All players are expected to wear appropriate attire for all training sessions. The coach will advise on any other equipment that is needed. Players are also expected to behave in an appropriate manner during training sessions and when representing the club in matches.

The yearly Family subscription of £70 provides Social Membership for 2 adults and one child which enables the family to make full use of club facilities, and for the child it also covers training and match fees. We would be grateful if you could read the attached codes of conduct and then complete the attached membership form and required declarations. For the safety of your child it is important that the club is informed of any medical condition or allergies that may be relevant should your child fall ill or be involved in an accident at the club.

If you would like to talk to someone at the club about this information or your child's involvement with the club, please contact the appropriate Coach or the club Welfare Officer.

We thank you for your cooperation and look forward to meeting you at some point during the season.

Richard Zapp
Cricket Manager

Sport can and does play a major role in promoting the inclusion of all groups in society. However, inequalities have traditionally existed in relation to gender, race and disability. Sport England is committed to promoting and developing sports equity, which is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. By monitoring the profiles of young people in sports clubs, national governing bodies of sport can identify any issues relating to under representation of different groups and can together develop strategies to ensure all young people have the opportunity to develop and progress in sport.

Ripley CC – Cricket Etiquette

(The customs or rules of behaviour)

Learning the customs or rules of how to behave when playing cricket is just as important as learning how to play the game itself. Below is a list of the most important rules of 'etiquette' which you need to learn in order to take part in cricket matches and represent Ripley Cricket Club.

- Always clap the batsman as he or she arrives to bat. This happens at the beginning of the batting innings or as a new batsman arrives to bat at the fall of a wicket.
- In Kwik Cricket the fielding side claps the batting pair as they arrive at the crease and leave the field.
- Always clap the opposing team off the pitch at the end of an innings. If you are the fielding side you clap the batsman as they walk off the pitch and if you are the batting side you must all get together at the boundary to clap the fielders as they leave the pitch.
- Always shake hands with the opposing team members at the end of the last innings as players leave the field.
- The home team allows the away team to take their food and drink first.
- When batting, all team members must pay attention to the game, supporting the batting pair who are on the pitch by cheering good shots and encouraging when they are struggling. (This is a good way to learn about the game as good play and mistakes can be pointed out)
- Always be polite to the Umpires and never question any decision they make.
- Always thank those who have helped with the match e.g. umpires, scorers providers of food and drink etc.,
- Remember to collect all equipment that has been used and put it back where it belongs.

These are just a few simple rules to remember. Please do your best to learn them.

To write against your name
He marks – not that you won or lost
But how you played the game"*
